

FCC Information

Note: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by VOXX Accessories Corporation could void the user's authority to operate the equipment.

Power Adapter:

Model: LXCP6-050100D

Input: 100-240VAC, 50/60Hz, 0.5A Max.

Output: 5VDC, 1A

Dual Charger Stand:

Input: 5VDC, 1A Output: 5VDC, 1A

Operating environment

Temperature: 0°C - 40°C

Relative humidity: 5% - 90%

Atmospheric pressure range: 70-106kPa

Storage & transportation environment

Temperature: -20°C - 70°C

Relative humidity: 10% - 90%, non-condensing

Atmospheric pressure range: 70-106kPa

Information and Description of Symbols

Follow operating instructions.

Permissible storage and transport temperature and humidity.

Batch code or lot number

Permissible storage and transport atmospheric pressure.

Intended use: This dual charger stand is intended to simultaneously charge 2 specified RCA hearing aids (behind-the-ear style).

Contraindication: None.

Cautions and notices for users

- Clean only with dry cloth. Excess lint or dust in the connector may cause connection problem.
- Do not use this apparatus near water.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Do not cover the whole charger stand while charging, e.g. with a cloth etc.
- The power adapter and the charger stand should not be serviced or maintained while in use with the patient.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

• **WARNING:** Do not modify this equipment without authorization of the manufacturer.

• Using damaged cable or unauthorized power adapter, or charging when moisture is present, can cause fire, electric shock, injury, or damage to the device.

• The power adapter and hearing aids may become a little warm during normal use. Always allow adequate ventilation around the power adapter and hearing aids. Unplug the power adapter if they get hot.

• **WARNING: Strangulation Hazard.** Children have STRANGLED in cords. Keep this cord out of the reach of children (more than 3ft away).

• This charger stand may not charge other devices not specified by the manufacturer.

• The time required for medical equipment to warm up from minimum storage temperature and cool down from maximum storage temperature between uses until it is ready for the intended use is about 30 minutes.

This device complies with international electromagnetic compatibility standards. However, it cannot be guaranteed that all products on the market work interference-free, for example some induction cookers, TVs, cellular telephones may cause audible interference. If you hear unwanted noise from the hearing aids when they are being charged by the charger stand in the vicinity of such device, you should increase the distance between the charger stand and that device.

Disposal Information: Please dispose of old or unused charger stand and the accessories, at waste disposal sites intended for electronic waste. Proper disposal protects the environment and health.

Call 1-888-225-2644 to request a paper copy of this information and other labeling.

Expected life of the charger stand, USB cable and power adapter: 3 years.

6-Month Limited Warranty

Voxx Accessories Corporation (the "Company") warrants to the original retail purchaser of this product that should this product or any part thereof, under normal use and conditions, be proven defective in material or workmanship within 6 months from the date of original purchase, such defect(s) will be repaired or replaced with new or reconditioned product (at the Company's option) without charge for parts and repair labor. To obtain repair or replacement within the terms of the warranty, the product is to be delivered with proof of warranty coverage (e.g. dated bill of sale), specification of defect(s), transportation prepaid, to an approved warranty station. For the location of the nearest warranty station to you, call toll-free to our control office: 1-800-645-4994.

This Warranty is not transferable and does not cover product purchased, serviced or used outside the United States or Canada. The Warranty does not extend to the elimination of externally generated static or noise. This Warranty does not apply to costs incurred for installation, removal or reinstallation of the product, or, if in the Company's opinion, the product has been damaged through acts of nature, alteration, improper installation, mishandling, misuse, neglect, or accident. This Warranty does not cover damage caused by an AC adapter not provided with the product.

THE EXTENT OF THE COMPANY'S LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE REPAIR OR REPLACEMENT PROVIDED ABOVE AND, IN NO EVENT, SHALL THE COMPANY'S LIABILITY EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PRODUCT. This Warranty is in lieu of all other express warranties or liabilities. ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED TO DURATION OF THIS WARRANTY. ANY ACTION FOR BREACH OF ANY WARRANTY HEREUNDER, INCLUDING ANY IMPLIED WARRANTY, MUST BE BROUGHT WITHIN A PERIOD OF 24 MONTHS FROM THE DATE OF ORIGINAL PURCHASE. IN NO CASE SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER. No person or representative is authorized to assume for the Company any liability other than expressed herein in connection with the sale of this product.

Some states/provinces do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage so the above limitations or exclusions may not apply to you.

This Warranty gives you specific legal rights and you may also have other rights which vary from state/province to state/province.

Información de la FCC

Nota: Este dispositivo cumple con el Apartado 15 de las Reglas de la FCC. El funcionamiento está sujeto a las siguientes dos condiciones:

(1) Este dispositivo no provocará una interferencia perjudicial y (2) este dispositivo deberá aceptar cualquier interferencia recibida, incluida una interferencia que podría provocar un funcionamiento no deseado.

Este equipo se sometió a pruebas y se determinó que cumple con los límites de un dispositivo digital Clase "B", de conformidad con el Apartado 15 de las Reglas de la FCC. Estos límites están diseñados para ofrecer una protección razonable frente a la interferencia perjudicial en una instalación residencial. Este equipo genera, utiliza y puede radiar energía de radiofrecuencia, y, si no se instala y utiliza de acuerdo con las instrucciones, puede causar una interferencia perjudicial en las comunicaciones por radio.

Sin embargo, no existe ninguna garantía de que esta interferencia no ocurrirá en una instalación en particular. Si este equipo provoca una interferencia dañina con la recepción de radio o TV, la que puede determinarse encendiendo y apagando el equipo, se recomienda al usuario que intente corregir la interferencia tomando una de las siguientes medidas:

- Reorienta o reubique la antena receptora.
- Aumenta la separación entre el equipo y el receptor.
- Conecte el equipo a un tomacorriente ubicado en un circuito diferente de aquel al que está conectado el receptor.
- Consulte al distribuidor o un técnico de radio/TV experimentado para obtener ayuda.

Los cambios o modificaciones no aprobados de forma explícita por VOXX Accessories Corporation podrían anular la autoridad del usuario para utilizar el equipo.

Garantía limitada de 6 meses

VOXX Accessories Corporation (la "Compañía") le garantiza a usted, el comprador original de este producto que si, bajo condiciones y uso normales, se encontrara que este producto o alguna pieza del mismo presenta defectos materiales o de mano de obra dentro de los primeros 6 meses a partir de la fecha de compra original, tales defectos serán reparados o reemplazados con un producto nuevo o renovado (a opción de la Compañía) sin cargo alguno por las piezas y labores de reparación. Para obtener los servicios de reparación o reemplazo dentro de los términos de esta garantía, el producto se entregará con prueba de cobertura de garantía (por ejemplo, factura con fecha de venta), especificación de los defectos y transporte prepago a una estación de garantía aprobada. Para ubicar la estación de garantía más cercana a su domicilio, comuníquese sin cargo a nuestra oficina de control al: 1-800-645-4994.

Esta Garantía no es transferible y no cubre un producto adquirido, mantenido o utilizado fuera de los Estados Unidos o Canadá. La garantía no incluye la eliminación de estática o ruidos generados externamente. Esta garantía no aplica a los costos incurridos en la instalación, remoción o reinstalación del producto, o bien, si en función de la opinión de la compañía, el producto sufrió daños debido a alteraciones, instalación inadecuada, abuso, uso indebido, negligencia o accidente. Esta garantía no cubre los daños ocasionados por un adaptador de CA que no haya sido suministrado con el producto.

EL ALCANCE DE LA RESPONSABILIDAD DE LA COMPAÑÍA BAJO ESTA GARANTÍA ESTÁ LIMITADO A LA REPARACIÓN O EL REEMPLAZO PROVISTO ARRIBA Y, EN NINGÚN CASO, LA RESPONSABILIDAD DE LA COMPAÑÍA EXCEDERÁ EL PRECIO DE COMPRA PAGADO POR EL COMPRADOR DE ESTE PRODUCTO. Esta Garantía reemplaza cualesquier otras responsabilidades o garantías expresas. CUALQUIER GARANTÍA IMPLÍCITA, INCLUIDA CUALQUIER GARANTÍA IMPLÍCITA DE COMERCIALIZAD O ADAPTABILIDAD PARA UN PROPÓSITO EN PARTICULAR, ESTARÁ LIMITADA A LA DURACIÓN DE ESTA GARANTÍA. CUALQUIER ACCIÓN PARA EL INCUMPLIMIENTO DE CUALQUIER GARANTÍA EN EL PRESENTE, INCLUIDA CUALQUIER GARANTÍA IMPLÍCITA, DEBERÁ PRESENTARSE DENTRO DE UN PERÍODO DE 24 MESES A PARTIR DE LA FECHA DE COMPRA ORIGINAL. EN NINGÚN CASO, LA COMPAÑÍA SERÁ RESPONSABLE POR DAÑOS EMERGENTES O INCIDENTALES. Ninguna persona ni representante están autorizados a asumir, en nombre de la Compañía, ninguna responsabilidad salvo la expresada aquí en conexión con la venta de este producto.

Algunos estados/provincias no permiten limitaciones sobre la duración de una garantía implícita o la exclusión o la limitación de daños incidentales o emergentes, de modo que es posible que las limitaciones o exclusiones anteriores no apliquen en su caso. Esta Garantía le confiere derechos legales específicos y es posible además que usted tenga otros derechos que pueden variar según el estado/provincia.
